

Enriching Community Life

ELECTION OF NEW COUNCIL

Celbridge Community Council is a purely voluntary organization that was founded in 1975.

Our mission is to improve the quality of life for community members across all stages of life.

We do this by supporting community well-being through services that target the groups most in need, by promoting local initiatives and services and by positively influencing the future development of Celbridge.

Every two years our membership is renewed and we are now seeking nominations to elect a maximum of 35 members for the 2022-2024 term of Celbridge Community Council. We would especially welcome people with new and fresh ideas to add to our existing range of activities.
